## MAZ

« All four are monsters on their instruments, but the magic happens when they gel amongst the melodic and rhythmic intricacies of their compositions. A top notch band and a no-brainer for any festival or concert series stage. » Matt Large— Montreal FestivalFolk Sur LeCanal, Hello Darlin' Production

« Perfectly riding that line between accessible and ambitious » Josh Kolm— The Lance, Windsor ON

« Often mesmerizing, [...] always tied to the groove. It's up lifting stuff, old and new, rustic and hi-tech all at once. » Roger Levesque— Penguin Eggs

With an official WOMEX 17 selection and 16 top Canadian award nominations, MAZ's music has proven its category-defying appeal. In a flow of trad, jazz and electro, the Montreal based group juggles with musical creation and tradition. Their IDs are sung and danced – they speak to heart, body and soul – without losing the mind! On stage, MAZ takes you on a musical journey that renews with Quebec's heritage, where songs and instrumentals open up to new groovy perspectives.
