

Pine Tree Flyers stage plot

Channel List

Input	Instrument	Mic/Line required
1	Neil vocal	SM58 or similar
2	Emily vocal	SM58 or similar
3	Katie vocal	SM58 or similar
4	Ben vocal	SM58 or similar
5	Neil keyboard left	DI
6	Neil keyboard right	DI
7	Emily accordion	DI
8	Katie fiddle	XLR +48v
9	Ben guitar	XLR

A sound engineer and professional quality PA system should be provided. Pine Tree Flyers will provide instrument mics and preamps, unless noted in the "mic/line required" column.

Four chairs without arms are required.

Boom mic stands are preferred.

Where two DIs are not available for Neil, 1 XLR will suffice.

If the venue is supplying a keyboard, it should be full size (88 keys) with weighted keys. If a tuned piano is available at the venue, replace the keyboard DI's (inputs 5/6) with the mic setup that your venue normally uses on the piano.
